COLLEGE OF LETTERS & SCIENCE

READMISSION FORM

(For L&S dropped students who have already taken off at least one year from UW-Madison)

Instructions for dropped students seeking readmission to the College of Letters & Science

You are required to meet with an academic advisor and an assistant dean prior to being readmitted to the College of Letters & Science. Use this advising appointment to

- 1) (re)establish a relationship with your assigned advisor or an advisor in your intended area of study,
- 2) develop a reasonable enrollment plan for the term you intend to return,
- 3) create a realistic degree completion plan.

Use the appointment with an assistant dean to confirm your enrollment plans and your readiness to re-enroll at UW-Madison.

Step 1: Complete and print this form.

Step 2: Make an appointment with an academic advisor (your previously assigned advisor or an advisor in your intended area of major study) and bring this form and other supporting documentation (transcripts from other universities, other documents which support personal, academic, or health progress you have made during your time away) to the appointment. You may find the name of your assigned advisor on the home page of your MyUW Student Center.

Step 3: After the appointment with your academic advisor, make an appointment with an L&S Assistant Dean (call 608/262-0617). At least three days before your appointment, bring or send the signed and completed L&S Readmission Form to 110 Ingraham Hall (LSDEANS@SAA.LS.WISC.EDU). Make sure you keep a copy of your signed Readmission Form.

Bring any supporting documentation and transcripts from any coursework completed during your time away from UW-Madison to your meeting with the dean.

Step 4: If your readmission is approved by the academic dean, fill out a reentry application on your Student Center.

\* Students can seek readmission during the following windows for an upcoming term:

Fall/Summer readmission: March 15 - May 15

Spring readmission: September 16 - November 15
